Goal

The background of the image is a dark blue night sky filled with numerous small white stars. In the upper left quadrant, a bright, multi-pointed star (the Star of Bethlehem) is visible, with a vertical line extending downwards from it. At the bottom of the image, there are black silhouettes of the Nativity scene, including a manger with a baby, a woman, and several camels with riders.

A photograph of wooden church pews, viewed from a low angle looking down a row. The pews are made of light-colored wood and have dark wooden tops. The background is slightly blurred, showing more pews receding into the distance. Overlaid on the image is white text.

**Please leave the pews in
the back available for
families with small children.**
