WEBINAR

May 2, 2024 | 7 p.m. CST

(mis)Understanding Mental Health

A Christian Look at Today's Epidemic

There's been a lot of focus on mental health in recent years. Current generations are growing up using vocabulary that expresses this reality while older generations aren't used to discussing something they grew up thinking was taboo.

This webinar will be unique in that we will be hearing from licensed professional counselors from **Christian Family Solutions**.

Guided by their insight, we'll get an overview of what is going on, what we can do, and when and where to get help.
